Principle Notes

Ask any RCE student and he/she will tell you what a great time they had on Field Day last Friday. Even though it was not a rainy day, some students got a little wet and that was all part of the fun. Field Day took much planning, time and work from many to make it a success. Thanks to everyone who gave their time and effort to make this day possible. A special measure of gratitude goes to Elizabeth Snelling, Kristy Lancaster and Kay Hilberth. Their creativity and leadership turned Field Day into a special event.

Odyssey of the Mind

The Odyssey of the Mind teams would like to express our appreciation to the RCE community for the wonderful support we were given in our fund raising efforts over the last week. Our Simply Spontaneous after school event and Car Wash/Bake sale this weekend resulted in a donation of \$1,735.50 for our Odyssey Teams going to World Finals in East Lansing Michigan May 25-29!

A special **Thank You** to Ms. Harn for the use of the school for our car wash, and for the scrumptious burgers she provided to our car wash volunteers; and to Ms. Harrell for the use of the library for our Spontaneous event. We really appreciate all of the contributions that everyone has made in helping the teams make it to World Finals. Thanks also go out to all of the coaches and team members of ALL of the OM teams to help the 5th graders raise the money for World Finals. Go Rummel Creek!!
