SBISD Council of PTA's Presents RCE with Sister School Solution Award

Last week I had the honor of attending the District PTA Awards Ceremony to accept the Sister School Solution Award along with our Sister School, Sherwood Elementary. This award is very special because it was collaboration between students, parents and staff members. Through your generous donations of coats, shoes, socks, money for new books, wrapping paper supplies, festival items, as well as mentoring advice and support, we were able to establish a relationship with Sherwood and help them in so many ways. It has been an exciting year for the Sister School Solution and I look forward to watching our relationship with Sherwood continue to grow. If you are interested in co-chairing this wonderful committee with me next year please contact me at ftodes@sbcglobal.net.

Thank you all for your generosity,

Francine Todes
